Welcome Your Guests in the Foyer...

...as they enter from the main entrance or through the picturesque back courtyard, featuring colorful flowers, a private brick patio, and an Italianate fountain. The foyer is the ideal place to greet your guests with enough space for a standing cocktail and hors d'oeuvres reception area or event registration tables.

Herbert Alumni Center

A generous bequest from BG James Keller Herbert, USMA Class of 1930, provided the West Point Association of Graduates (WPAOG) with funds to build a home for West Point alumni. The building, completed in 1995, is maintained solely through generous private donations to the Long Gray Line Endowment.

West Point Association of Graduates

The West Point Association of Graduates is the primary fundraising mechanism for the Academy, raising money for the Margin of Excellence in the cadet experience that helps build America's next generation of great leaders. WPAOG also serves over 49,000 active members of the Long Gray Line worldwide with services ranging from communications and publications to career transition assistance, event support, historical records, and more.

The Great Hall also includes elegant, comfortable seating at both ends of the room for those guests who need or prefer to sit and observe or have an intimate conversation.
