

# West Point

ASSOCIATION OF GRADUATES

West Point Societies are not formally federated; there is no parent organization. Each Society is autonomous and structured in a way that best suits the purpose and activities of its membership. Therefore, each is required to remain self-sustaining and are not covered under WPAOG's insurance. To help connect you with companies offering Directors & Officers Liability Insurance and Event Insurance, we have reached out to Graduates working in the insurance industry. The following Graduates work for companies offering D&O and Event Insurance should you wish to reach out to them for details. Please be sure to disclose to them that you are a Graduate calling from a West Point Society.
