

# Society Career Advisor Liaison

---

**WPAOG Career Services** enables the continued success of West Point graduates through personalized career advising, industry-leading tools, a growing employer portfolio, and a volunteer network of industry and regional career advisor liaisons from our global footprint of West Point Society chapters.

Society Career Advisor Liaisons serve an integral role in supporting the realization of WPAOG's vision – **to be the most highly connected alumni body in the world**. With your partnership, all grads can enjoy greater access to the resources, tools and employer networking opportunities available to them through our WPAOG Career Services team.

Here's how West Point Society chapters can benefit their membership even more with Career Services:

## **Refer a Grad!**

We encourage all grads we meet to join their local Society. Encourage them to reach out to their Career Services team to explore all of our service offerings.

## **Make it Official**

Did you know that having a formal Career Advisor Liaison officer role on your Society Board earns you Distinguished Society points? Let us know who they are so we may connect our job-seeking grads with them.

## **Promote local Career Events**

Are you hosting or aware of career related events for grads in your local area? Promote them in the WPAOG Career Services group on [Sallyport](#), which is open to all grads.

## **Refer an Employer**

The cost to employers for hiring a grad right now through Career Services is zero. Refer employers to Career Services so that we may formally onboard into the recruiting process to hire a grad.

## **Share Grad Success Stories**

Did your Society help a grad land a new job? Inspire other grads by celebrating new career success stories together through AOG monthly publications and on social media.

## **Try Korn Ferry Advance – 24/7 Career Coaching**

Korn Ferry Advance provides our grads exclusive access to expert career coaches, resume and other career readiness tools – 24/7. All you need is internet.

## **Spread the Word about GradLink**

Help our grads build and expand their professional network through the [GradLink app](#). With over 350 mentors across multiple industries and regions, finding a grad with shared career interests has never been easier.

## **Take Advantage of the SACC**

Four times a year, WPAOG Career Services joins our sister academies to host the Service Academy Career Conference (SACC). Stay up to date on tips, webinars and job techniques to make the most of the SACC experience.

We are excited to partner with you as a new Society Career Advisor Liaison. Thank you for your continued leadership and support of the Long Gray Line!
