

Graduation (Cullum) Number List

Upon graduation, each individual is assigned a "Cullum Number". From 1802 through the Class of 1977, graduates were listed by General Order of Merit. Beginning with the Class of 1978, graduates were listed alphabetically, and then by date of graduation. Seven graduates have an "A" suffix after their Cullum Number. For various reasons these graduates were omitted from the original class roster, and a suffix letter was added to avoid renumbering the entire class and subsequent classes.
