Only the metal is included in the Ring Melt. If possible, please remove any stones prior to donating the ring. If that is not possible, we will have our local jeweler remove the stone. We will then keep the stone to return to the donor following the melt.
We ask each family to complete a memorial article for their loved one on or before October 1, 2023. At the West Point Association of Graduates, we feel that every deceased graduate should be honored with a memorial article page in TAPS and on our website. We use this memorial article in the Ring Melt Biography Book that is handed out at the Ring Melt. You can find more information on Memorial Articles here: www.westpointaog.org/file/MemorialInventorySheet.pdf. Marilee Meyer is the Memorial Article Manager and can assist you if you have any questions. She can be reached at Memorial.Support@wpaog.org or 845-446-1647.
For living donors, a biography is requested for inclusion in the Ring Melt Biography Book. Please write the biography article in the 3rd person.
Biographies and articles should be no longer than 910 words and must be received on or before October 1, 2023.
If you have any questions, please contact us at RingMemorialProgram@wpaog.org or 845-446-1614.

By providing your signature below, you acknowledge that submission of a Memorial Article or biography must be received on or before October 1st.
